

- **Child-Safe is a national child protection charity now adapted for local delivery in Bristol, one of its initiatives being the Clubright resource pack for non-affiliated sport and community groups**
- Our aims are to provide practical advice, promote the safety, welfare and pastoral care of children and young people involved in these activities
- Our product portfolio promotes good practice, provides support and advice to parents, organisers, volunteers, schools and, most importantly, children and young people themselves.
- The scheme is entirely free of charge and provides clubs with a seminar and resource pack to enable them to put **child protection measures** in place.
- **How can my club or organisation get involved?**
- If your club or organisation would like to find out more, contact the Child-Safe Administrator by phone: 0117 353 2275 or by email: child.safe@Bristol.gov.uk to book a place at one of the seminars being held across the city.
