

# Testimonial

“ Having attended a Child-Safe seminar at Weston-super-Mare my wife and I introduced the scheme into our St. John Ambulance unit at Uphill and St. Mary's Church Holiday Club at Hutton.

Both organisations already have child protection policies in place, but the high profile Child-Safe information has made the children feel safer and put parents' minds at rest that the safety of their children is taken seriously.

Many parents have asked for further information having read the posters we display. I think the scheme heightens awareness without causing undue alarm. ”  
*Dave Bradley, St Johns Ambulance*

Users describe the pack as "brilliant", "very practical", "excellent", "just what we need", "a real time saver".

## If you are part of a club or organisation involving young people in North Somerset then you need to be part of the Child-Safe scheme

### What is Child-Safe?

Child-Safe is a crime reduction initiative set up by Avon and Somerset Constabulary and adapted for local delivery by North Somerset Council.

The scheme was launched in North Somerset in September 2003.

Child-Safe is a registered charity set up to provide practical advice, and promote the safety, welfare and pastoral care of children and young people involved in travel, sport or organised groups. This crime reduction initiative is about improving care, reducing opportunities of abuse in its widest sense and helping all those parents/carers, organisers or volunteers who are involved in supporting youngsters in such activities.

The scheme is entirely free of charge and provides clubs with a seminar and resource pack to enable them to put in place **child protection measures**.

Organisers, leaders, parents and carers can feel more reassured that child protection will be taken seriously by clubs and organisations.

### How can my club or organisation get involved?

If your club or organisation would like to become part of the scheme contact the Child-Safe Co-ordinator at North Somerset Council on **01275 810 995** or email [sport@n-somerset.gov.uk](mailto:sport@n-somerset.gov.uk).

Or come along to one of the seminars being held across the district. The seminars and packs are free.
